Earth Day Spokane 2010 Information

When: All organizations must have their booth set up by 10:30 a.m. on April 17th.

- Community booths, vendors, and music/performance outside from 11a.m. to approximately 5 p.m.
- Live music, performers, and food/beverage vendors inside the Community Building Warehouse until midnight.

Where: Main Street (between Browne and Division). The street will be closed from 9am to approximately 8pm. The warehouse festivities will continue until midnight.

Loading/Unloading Details: You will receive an email before the event with the details of loading and unloading before/after the event.

Your role: We are asking all participating organizations to do some kind of demonstration or hands-on activity that will engage the community. This is the 40th anniversary of Earth Day, and we want to make sure that it's bigger and better than ever before. We're strongly advocating that you do not just hand out pamphlets at this year's event. Instead, we're asking that you make a visual display with your information and then collect email addresses to distribute additional information. There will also be a large series of display panels on the street to attach printed material. Along that same note, we are also hoping that everyone will do their part to keep this year's event as sustainable as possible in all ways. Limited garbage receptacles and many recycling receptacles will be provided at the event.

If you know of any other organizations or groups that would like to participate in this year's event, please have them email Molly Callen at earthdayspokane@gmail.com

Spread the word: Earth Day Spokane—Takin' it to the Streets

Come Celebrate Mother Earth with Us for the 40th Anniversary of Earth Day!

- Dozens of FREE Earth-Friendly Activities for children of all ages, including: planting veggies, building birdfeeders, recycled art projects, sidewalk chalk art, face painting, costume/drum making for the *procession of the species*, and MUCH more! The WSU Raptor Club will be there with rescued owls and other raptors!
- Live music, roller derby, belly dancing, spoken word and other performance art! Local food vendors will be there all day!
